Dear Shephanie,  
i am a homeowner and a landowner in rice county on dent ave ,my 55 acers of land runs along the proposed new highline route.It is of major concern of mine NOT to want the line because planning on building on the northside which will be very close to the lines. I bought the land many years ago wanting the oppertunity so have my children build and stay in the area.PLEASE take into consideration NOT letting the line pass by my land and the several others in the air park of webster.  
Thank You  
Patty Lloyd
